

Preschool Programs

We provide educational activities for 4-5 year-olds on topics that engage children in learning about animals in need and staying safe around pets. Topics include the following:

Pet/Not a Pet

Students will identify the difference between a domesticated and non-domesticated animal. Students will also understand that EBHS is an animal shelter that provides care for pets until they can be adopted.

Pets and Their Homes

Students will identify the different homes for various pets and learn about responsible pet ownership. Students will also understand that EBHS is an animal shelter that provides care for pets until they can be adopted.
