

This is SO exciting! What will I need?

- **A cat carrier** to bring your cat home from the shelter and for all future visits to the vet!
- **Food and water bowls.** Remember, we have a list of recommended foods available at the shelter.
- **Two uncovered litter boxes**, or if you already have a cat, one box for each cat, plus an additional box.
- We suggest **unscented, scoopable litter.** Don't forget a **plastic litter box scoop!**
- **A tall, sturdy scratching post** for scratching and stretching.
- **Small, chewy, tasty treats** to reward good behavior.
- **A soft blanket** for a bed and sleeping purposes.
- **A safe breakaway collar and I.D. tag**- include your name and phone number on it.
- **Safe cat toys and chewies.** We suggest "fishing pole" feather toys or a cat dancer.
- **Natures Miracle Enzymatic cleaner** in case of an "accident".
- **An appointment with your veterinarian** so they can meet your wonderful new cat!
